

NOTES:

- Opening schedule may change according to the structural design.
- The layout of columns and beams may change according to the structural design.
- Number of steps may change according to the plinth and parking height desired.
- Thickness of walls is only proposed. It may have to change based on the structural design to avoid column/beam projections.

The Contractor and the Consultant shall bear no responsibility whatsoever when any change provided by them is made to the project. Each change shall be clearly and specifically noted on the drawing. Further, it is advised that the client shall be responsible for the change provided by the Contractor/Consultant.
